All parents have been provided with a copy of the school's privacy notice which outlines how information is processed. The school relies on consent to process data in relation to the Managing Healthcare Needs Policy, however, in certain circumstances we rely on public task grounds to share information with relevant safeguarding agencies.

PARENT/CARER CONSENT FOR SCHOOL TO ADMINISTER MEDICATION TO A PUPIL

- Our school will not give your child medication unless you complete and sign this form.
- If more than one medication is to be given, a separate form should be completed for each one.
- A new form must be completed when dosage changes are made.
- Where medication is prescribed to be taken in frequencies which allow the daily course of medicine to be administered at home, parents should seek to do so, e.g. before and after school and in the evening. However we understand there will be instances where this is not appropriate.
- Parents/carers will be informed as stated in the school policy when a child refuses their medication or when emergency medication is administered.
- Parents/carers can request sight of records.
- Without exception pupils must not share their medication for any reason with another pupil.
