'Learning today for a better tomorrow'

18<sup>th</sup> March 2020

Dear Parents,

We have only just been given information regarding the closure of schools from this Friday 20<sup>th</sup> March, as yet we do not have the full details, when we do these will be communicated to you. We have put the following in place for school closure and/or self-isolation. Each class teacher will be sending a home learning pack to those who are off. They will also be sending home your child's log in details so they can access their Hwb, RM Easimaths, TT Rock Stars (Yrs 3-6) and Study Ladder (KS2 ony).

Your child's hwb account has a selection of tools for your child/ren to access – office 365 (which you can download for free onto at least 5 devices), G Suite and Just2easy. Class teachers and their pupils can also communicate with each other through their Hwb email and Hwb class. Your child has been shown how to use the Hwb class and the teachers will use this to communicate other tasks for them to complete during any closure. They will also provide their Hwb email for pupils/parents to contact them.

The educational website Twinkl has agreed to provide free access for a month to all their resources for parents to use with their children at home – [www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer) and enter the code UKTWINKLHELPS

The following are a list of other websites with free access to a variety of activities:

Scratch – [www.scratch.mit.edu/explore/projects/games](http://www.scratch.mit.edu/explore/projects/games) - creative computer programmes

Blockly – [www.blocky.games](http://www.blocky.games) – computer programming skills

We will also put any additional resources that we find on our facebook page. We will continue to communicate with parents by text parents and put messages on our facebook page.

We will contact those currently self-isolating and arrange for the home school packs to be delivered.

Thank you for your co-operation during these difficult times.

Yours Sincerely

Mrs Jayne Davies
