

About this agreement

A message to parents/guardians from the Head teacher and Chair of Governors.

Ysgol Carrog believes that a close partnership between home and school is vital to support children and young people in their education.

This agreement forms part of that essential partnership and it demonstrates a commitment to working together.

The intention of the agreement is to clarify the expectations of all involved so that pupils are able to work hard, be happy, safe and successful at school. It will also help you to take an active part in your child's education.

At Ysgol Carrog the staff is committed to providing opportunities for each and every pupil to progress and succeed. We look forward to a strong partnership.
