ONLINE APPS

Today your child will have brought home information on the various online sites and apps. The online safety act is a set of laws to protect children from content that is harmful. The social media companies must consistently enforce their age limits and protect any child users but as parents you need to be aware that some popular sites and apps have minimum age requirements for their users and it is your responsibility to ensure your child use any sites/apps responsibly and you regularly check their usage.

FUNERAL

There will be a funeral in the village next **Friday 17th October** during the afternoon. The funeral service will be at the chapel and the funeral tea at the village hall.
